EXPERIENCE

Interum (M) Sdn Bhd

Product Manager interim CTO

- Owned product roadmap and delivery for DonAid, a donation-tracking and reconciliation platform
- Designed workflows for donations, remittance, settlement, reconciliation, reporting, and public tracking
- Produced PRDs, user stories, IA, wireframes, acceptance criteria, and product documentation
- Coordinated founder priorities, vendors, and technical redevelopment

Clickr Media Pte. Ltd.

Senior Creative Designer

- Designed UX/UI for banking, logistics, e-commerce, certification, and property-related platforms
- Improved information clarity, usability, and service flows across client projects
- Worked with multidisciplinary teams across strategy, design, and implementation

Brightside Solutions Sdn Bhd

Operations, Sales & Creative Manager

- Grew from graphic designer to owner's right-hand across operations, sales, design, and production
- Managed client accounts, vendors, production workflows, quotations, and delivery.
- Led branding, website, e-commerce, and digital transformation initiatives.
